Resolved. That in the judgment of the Bunkin and New York City Bunkin and New York City Railroad Company First Morteage Bondholders whether secured by a mortgage between Bunkin and Atticas.

The Bunkin and New York City Railroad Company First Morteage Bondholders whether secured by a mortgage between Bunkin and Attica, or by a mortgage between Attica and Hornelsville, will best premote their interest by acting together, so as to bring the entire line to a sale, under the expected decree of the Court, as also by the purchase of the contribution for the benefit of the Bendholders.

And we have a sale and impartial investigation into the elements that make up that community of interest, between the Bendholders on each section of the Road.

Resolved That J B Elliman, Urlah J. Smith, E.
